### Renovate before '28

**THANK YOU:** Brian, Deanna, Kevin, Glenn, Nancy, Warren, Gary, Logan, Andrew, Allen, Daniel, Leslie, Luke, Levi, Ryker, Rhett, Cleo, McIntyre, and Steve for the amazing work done on the playground. It looks fantastic!

All of the weeds and groundcover were pulled up.  
Then the bricks were removed and stacked on  
pallets. Below: Levi and Warren moving bricks.

To the left, Kevin  
shovels a layer of sand  
onto the playground.  
Nancy and Deanna  
spread some mulch.

Above Ryker and Gary are placing just another  
brick in the wall...and another...and another...

Warren drives the skid-  
steer carrying the  
rubber mulch in a large  
bag. Each bag weighs  
over 1850 lbs.

Another bag of mulch is delivered  
while Gary directs traffic. To empty  
each bag the bottom is sliced open.

Logan lays some ground cover under  
the slide while Gary levels the sand.

Kevin resets some of the bricks  
while Warren levels mulch.
